Dear Otto:

On the occasion of your retirement, I would like to extend gratitude and congratulations both personally and on behalf of your many FBIS friends and colleagues.

It is always a source of pride to us when a man of your obvious abilities dedicates 30 years of service to FBIS. You, too, must be gratified and proud of the development of the Austria Bureau over the years and of your considerable contribution to the process. Your multilingual talents and fine grasp of the requirements and nuances of East European media and your ability to cover any media source with equal dexterity have made you a highly versatile and valued member of the bureau staff. Your professionalism and quiet dignity have earned the respect of your colleagues in the field and Headquarters alike.

I know they join me in wishing you a healthy and productive retirement.

Sincerely,

Director
